### Welcome to the JFM

Good morning and welcome to the JFM! Many thanks to all of you who have helped get the 2008 season off to such a great start! The JFM is truly appreciative of each and every one of you! If this is your first visit to the JFM, welcome, we are pleased to see you this morning. The JFM is a Wisconsin vendor-produced market, not a resale market. As such, the variety of produce changes weekly as seasonal crops come in.

The JFM vendors take care and pride in everything they bring to the market, from produce to eggs to cheeses and meats, baked goods, and local artists. They love to answer questions about their product so don't hesitate to ask if you have questions.

We hope you enjoy your time with us and make us part of your Saturday morning routine. We are here very Saturday from 8am-1pm, through October 25th. And thank you for celebrating our roots with us!

Sincerely  
Teri Huber  
JFM manager

Check us out on the web!

If you haven't done so yet, check out the Janesville Farmers Market website at [www.janesvillefarmersmarket.com](http://www.janesvillefarmersmarket.com). It is beautiful and has lots of information on it. Many thanks to Stephen Schmid, our web master!

Sorry. No dogs at the JFM.  
The JFM has a no dog policy. We apologize for any inconvenience this causes, but the policy is protection of everyone, including your pets.

**Come celebrate our roots!**

This year's JFM theme is 'Come celebrate our roots!' Janesville has a deep seeded (pardon the pun) agricultural heritage. Downtown Janesville is where the corn exchange was located, the cotton mill was across the river from where the JFM is now held, and there were several slaughterhouses in the downtown area as well. It was where all the farmers brought their crops and livestock. So thank you for helping to 'celebrate our roots'!!

Gardening Questions? Contact your county University of Wisconsin-Extension office for answers to your gardening and food safety questions: (608) 757-5696 or <http://rock.uwex.edu>

Recycle, Recycle, Recycle!

The JFM is proud to have three recycle bins distributed throughout the market. So, if you purchase a bottle of Gray's soda or a bottle of water and it's empty before you leave, please dispose of it in one of the recycle bins.

Question regarding the JFM?

If you have any questions regarding the JFM please don't hesitate to ask Teri Huber the JFM manager. Her phone number is 608-758-9359 or her cell is 608-921-1601, or email her at [jvlfarmersmarket@aol.com](mailto:jvlfarmersmarket@aol.com).

Don't  
trash our  
future.

Recycle®

## JFM Beverage Cart

The money earned from the JFM beverage cart goes to helping fund the JFM. The JFM is funded with sponsor donations and vendor fees. The JFM beverage cart sells fresh brewed Ancora coffee, Gray's soda, and bottled water. We appreciate your patronage.

## Did you know?

That when you purchase food at the JFM it is the freshest food you can buy? It is also not injected or coated with preservatives and chemicals to help maintain their integrity. So eat for your health and buy at the JFM!
