

Dear JFM Customers,

The Janesville Farmers Market wishes to thank all of you for your continued support of the Market during our temporary, flood-induced relocation to the upper parking lot of the Rock County Courthouse. The Janesville Farmers Market is very happy to be moving back to our Main St. location this Saturday now that downtown Janesville is cleaned up from the flood.

Our speedy relocation to the Courthouse and our return to our “home” on Main St. is due to the efforts of many within the Janesville community. We thank all those involved who work for the City of Janesville and Rock County. We also thank *The Janesville Gazette*, WCLO, WJVL, WSJY, and WISC-TV for keeping the community informed about the temporary relocation. In addition, we extend our thanks to the UW Extension, Forward Janesville, and Janesville Design and Development Center for their assistance in communicating the Market’s move “uphill.” Thanks also to Marling Lumber for donating plywood for the construction of signs to help direct people to our temporary location. Thank you also to Jerry Stimpfl for constructing the sandwich board signs and to Dr. Bob McCallister for designing and making informational posters. And, many thanks to the vendors for helping make the move a positive experience for everyone.

And most importantly, thank you to all of our customers who continued to shop at the Janesville Farmers Market during our temporary relocation. The Janesville Farmers Market is very grateful to be part of such a supportive community. We look forward to moving back to our Main St. location and celebrating the summer’s harvest in downtown Janesville.

Sincerely,
Theresa M. Huber,
Janesville Farmers Market Manager
and the Janesville Farmers Market Board of Directors
